CASMA CONCERT

Congratulations to our choir who represented the school at the CASMA concert at OPEN on Tuesday. Feedback from all those who performed, all those that watched and all those involved in the organisation was very positive indeed - it was a wonderful opportunity for all!

Special thanks to Mrs Tooke who helped with transport and supervision on the day.

Buggies, prams and pushchairs

Please note that buggies, prams and pushchairs should not be brought into the school building .

We are not being unfriendly!

Our corridors are very busy and we need to ensure that children are safe and comfortable and that there is nothing to prevent a quick and unimpeded exit in the case of an emergency.
Thank you.

If you need to deliver your child to school or collect your child from school during the day, please ensure that you report to the school office. There is no direct access to classes during the day.

Preston Primary Rise and Shine Club

We'd like to remind all parents that we offer a before school provision provided by Set Your Sights. The before school club runs from 7.50am daily and provides an opportunity for all children to undertake multi-sports activities prior to the school day.

The sessions can be booked as a regular weekly space or as an ad-hoc request. It costs £4 per child per morning.

To register your child or book a space please email setyoursights@live.co.uk

We're half way through the year!

All children should be comfortably settled in their new classes and able to take themselves into the school building **independently** at this point.

During the school day, all children manage themselves independently.

They are able to access bags, change in and out of coats and deal with lunchboxes. If they get into a pickle there are always adults or older children to help them out.

Please encourage your child to be independent in the mornings—it is part of their learning and we will be backing this up with messages at school.

If you have information to pass on, messages for class teachers can be left at the school office and appointments can be made to see teachers at the end of the school day if required .

World Book Day

Come to school dressed as your favourite fictional character!

Make sure your costume will allow you to take full part in the day's activities—and that you have a coat for breaktime.

Be prepared to tell us about your character, what book(s) they appear in and the author who created them.
