Step on it Road Safety

Year 1 will be attending Road Safety Training from 10.45am - 12noon on Friday 2nd March.

For the training to go ahead we need 4 parent helpers.

If you are available to help please can you let the office know.

Thank you

Buggies, prams and pushchairs

Please note that buggies, prams and pushchairs should not be brought into the school building .

We are not being unfriendly!

Our corridors are very busy and we need to ensure that children are safe and comfortable and that there is nothing to prevent a quick and unimpeded exit in the case of an emergency.
Thank you.

If you need to deliver your child to school or collect your child from school during the day, please ensure that you report to the school office. There is no direct access to classes during the day.

A plea to drivers ...

Please

- Drive at a **dead slow speed** on the roads around the school
- Be aware of pedestrians—especially children trying to cross the roads
- Park carefully—and be respectful of our neighbours' need for access to their properties
- Keep wheels OFF the pavement or the kerbs
- **Be patient and calm** - the road is congested and difficult at the beginning and end of the day but we all need to do our utmost to keep it safe.

Thank you

We're half way through the year!

All children should be comfortably settled in their new classes and able to take themselves into the school building **independently** at this point.

During the school day, all children manage themselves independently.

They are able to access bags, change in and out of coats and deal with lunchboxes. If they get into a pickle there are always adults or older children to help them out.

Please encourage your child to be independent in the mornings—it is part of their learning and we will be backing this up with messages at school.

If you have information to pass on, messages for class teachers can be left at the school office and appointments can be made to see teachers at the end of the school day if required .

World Book Day

Thursday 1st March

Come to school dressed as your favourite fictional character!

Make sure your costume will allow you to take full part in the day's activities—and that you have a coat for break-time.

Be prepared to tell us about your character, what book(s) they appear in and the author who created them.
