### SUN-SAFETY

Now that the good weather seems to be back, it's a good time to remind you of the guidance we give children at school:

- **Wear sunscreen** (SPF 30 or more is recommended) - you may have the sort where one application lasts throughout the school day. If it requires 'topping up' at lunchtime, only use your own. If younger children need a little help, ask a member of staff.
- **Wear a sunhat** - make sure you have one available every day. On sunny days, you will be asked to spend lunchtime under the canopy if you don't have your hat. This is because the middle of the day is the time when the sun is at its most powerful.
- **Drink plenty of water** - Make sure you have a water bottle at school every day.

### Tuck Shop

The School Tuck Shop is open for business. There will be a range of healthy snacks on offer at a maximum price of 25p.

Each week the tuck shop will be available for one class:

**Friday 8th June - Caterpillar Class**

### Sponsored Wheels

Many thanks to all the children who took part in our sponsored event this week - they made a great effort!

Thank you to parents, too, for sponsoring children and supporting them in finding other sponsors. We are looking forward to finding out how much we have raised towards furnishing and equipping our new library. We will be able to share this news with you after the holiday.

### FoPPs News

- If you have any unwanted jam jars please can you bring them to school for the FoPPs Family Fun Night.
- Do you have your own business? Work with someone who does? Advertise in this year's Leavers' Play programme in July. Full and half page adverts available.
