

## Ready for a new challenge? Why not Volunteer?

Our 'Right From the Start' Big Lottery Project is the perfect opportunity for you to help support local families.

Support and friendship  
for families

We are looking to recruit and train parents to become part of our home-visiting volunteer team. Our new Right from the Start project is specifically targeted at supporting families with a child under the age of 2 or expectant mothers with their mental health and isolation difficulties.

Our volunteers offer friendly, non-judgemental, confidential support visiting a family in their own home on a weekly basis.

To volunteer, we ask you to attend our free 8-week initial volunteer preparation course, with additional training opportunities around maternal mental health awareness and attachment.

**Our next course will be held at The School House, 1 The Street, Framingham Earl, Norwich, NR14 7QY on Wednesdays and Thursdays, starting on Wednesday 20th June 2018 from 9.30am - 2.30pm, term time only (excluding Norfolk Show week).**

**Join us for coffee at The School House to find out more on Thursday 14th June between 9.30 am – 11.30 am.**
