Surprise Retirement Celebration for Jill Casson

Jill Casson, Supervisor at Tas Valley Pre-school & Playgroup is retiring at the end of July, after 17 wonderful years. For those of you whose children attended playgroup, you will know how much she is going to be missed.

Jill has guided so many children through their early years, preparing them for primary school. She is dedicated, committed and has always given so much of her own time to ensure the playgroup is a welcoming, nurturing environment where children can have fun creating, exploring and discovering!

An A4 size keepsake album is being put together as a gift for Jill, bringing together messages, photographs and pictures from children (past pupils and present), parents and colleagues.

If you, or your child, would like to contribute to this, there will be a box placed in the school office after half term and collected on Monday 24th June. You could make a fully decorated A4 scrapbook style page or we can add a smaller message/photo to the book separately – please just remember to include your name.

Also, if you would like to contribute to the collection for Jill's retirement gift, money can be given to Hayley Defoe (Committee Chair) or by bank transfer (Sort Code: 20-26-34 Account No: 13069923). Please include your name so we can add that to the gift card.

Join us to celebrate Jill's Retirement
Tuesday 23rd July, 2019
From 3pm - 4.30pm
Tasburgh Village Hall

Shhhh... please don't forget – don't tell Jill!

SUN-SAFETY

Now that the good weather seems to be back, it's a good time to remind you of the guidance we give children at school:

- **Wear sunscreen** (SPF 30 or more is recommended) - you may have the sort where one application lasts throughout the school day. If it requires 'topping up' at lunchtime, only use your own. If younger children need a little help, ask a member of staff.
- **Wear a sunhat** - make sure you have one available every day. On sunny days, you will be asked to spend lunchtime under the canopy if you don't have your hat. This is because the middle of the day is the time when the sun is at its most powerful.
- **Drink plenty of water** - Make sure you have a water bottle at school every day.
- **Wear sunglasses** - You are welcome to bring in safe sunglasses to wear when you are outdoors.

Please help us to keep your child sun-safe by ensuring your child comes to school well-equipped every day.
