

Music Theme

Thursday, June 4, 2020 2:57 PM

It has become clear that the arts are vitally important (although, of course, we already knew that!) and a lot of us have relied on art in many of its forms as we have been spending more time at home and less time being able to do the things we usually do. This is why we wanted to spend some time thinking about music and make it our theme for fortnight 4 (and beyond!).

Attached, you will find links to web pages and documents that offer suggestions for learning about music, making music and tackling other subjects with a music theme.

Enjoy!

SONGS TO SING

Check out the other Music page to find links to songs you might want to join in with.

MAKING INSTRUMENTS!

[Making instruments from natural materials](#)

[Making instruments from household materials](#)

SOUNDS OF SUMMER

[Create a Video! Check out this link.](#)

VIRTUAL BIG SING

Check 'Class Notes' for log in details.
