

Science Explorers KS1 PDF

Tuesday, June 9, 2020 2:53 PM

To kick start our 'Science Explorers' topic, why not watch the launch of the SpaceX rocket from May 30th 2020?

[SpaceX Launch Video](#)

The key part of the video is between 1:30 and 5:46.

The video below shows a glimpse into the history of space exploration.
