School Calendar 2020/21

11/09/2020

WELCOME BACK

It's been an absolute pleasure to welcome all our children back this week! The children are obviously happy to see their friends and get back to their learning. Every classroom has felt calm and purposeful and the children have made no fuss at all about the safety measures we have put into place.

Special congratulations to children in Ladybird class who have started school for the first time this week. Without all the transition work we would normally put into place during the summer, and with a system in place that keeps parents much more distant than we would ever want in normal times, we wondered how children would cope – the answer is that the classroom is full of smiles!

One or two issues have arisen with our arrangements and we have spent the week fine-tuning organisation to make things run as smoothly as possible for all. Thank you to parents who have made contact to let us know about situations that have arisen – knowing early has enabled us to act promptly.

BE SAFE!

Please take care on the roads AND on the pavements!

Our school is surrounded by houses where residents may be driving cars on and off properties at any time.

For the safety of our children, please DO NOT park on the wide pavement outside the school. Although this has been used in the past, our current use of the black gate for children to access the school makes this a dangerous practice.

Star of the Week!

Ladybird Class - Summer - for having a fantastic first week and being super helpful

Bumblebee Class - Oscar - for showing enthusiasm

Grasshopper Class - Natalie - for settling into a new school with a ready smile

and lots of enthusiasm!

Caterpillars Class - Daisy - for practising her many of her multiplication tables at

home so that she still remembers them

Dragonfly Class - Lauren - for a positive, attentive and hard working week.

A great role model for others.

Well done, everyone!

Reporting Sickness and Absence

Please can we remind you that as per our Absence Policy, we do require a letter or email confirming your child's absence from school. In light of the current circumstance this is more important than ever.

We are now required to keep this data for reference.
