## Reading Journals

From next week, we will be reintroducing reading journals. This will provide you and the adults at school the opportunity to share information about your child's reading.

On Monday 21st September, your child will bring home a reading journal. This journal is to be kept at home until Friday when it is to be brought into school and placed in your child's class drop box. The class teacher will then look at this on Monday, add their comments from the week before and then send it back home.

We ask that you only return reading journals on Fridays so that we are able to quarantine them over the weekend.

From Monday to Thursday, please record any reading that your child does at home.

We look forward to reading your comments.

## **BE SAFE!**

**Please take care on the roads AND on the pavements!**

**Our school is surrounded by houses where residents may be driving cars on and off properties at any time.**

**For the safety of our children, please DO NOT park on the wide pavement outside the school. Although this has been used in the past, our current use of the black gate for children to access the school makes this a dangerous practice.**

## Star of the Week!

### **Reporting Sickness and Absence**

**Please can we remind you that as per our Absence Policy, we do require a letter or email confirming your child's absence from school. In light of the current circumstance this is more important than ever.**

**We are now required to keep this data for reference.**

### **Internet Alert**

**Please be aware that some of the children are singing songs that they have learnt from the internet at home. Some of these songs have alternate versions, which include adult content, that are not suitable for children.**
