Reminder

In the morning, if you wish to have a discussion with an adult about your child, please could you contact the school office rather than staff at the gate. The staff on duty have very limited time to get all the children into school.

Late Arrivals

If you are late dropping off your child in the mornings, please can you ring the buzzer at the red pedestrian gate and a member of staff will come and collect your child.

Thank you

Reporting Sickness and Absence

Please can we remind you that as per our Absence Policy, we do require a letter or email confirming your child's absence from school. In light of the current circumstance this is more important than ever.

We are now required to keep this data for reference.

Book Returns

If you have any books at home from before lockdown or before the summer holidays, could you PLEASE send them in with your child on Monday.

Our stock is very low.

Thank you

Behaviour for Learning

This week we have been looking for children who can show us that they

I take pride in the presentation of my work

The following children have been nominated for awards:

April, Cordelia (YR) Ella (Yr1) Cathleen, Ben (Y2)

Kaitlyn (Y3) Ava, Alice (Y4) Ezmee (Y5)

Toby (Y6)

BE SAFE!

Please take care on the roads AND on the pavements!

Our school is surrounded by houses where residents may be driving cars on and off properties at any time.

For the safety of our children, please DO NOT park on the wide pavement outside the school. Although this has been used in the past, our current use of the black gate for children to access the school makes this a dangerous practice.

Eco Council

Each year pupils vote for their new School Council and class representatives. This year the children have asked to have an Eco Council too.

The role of the Eco Council is to help make our school as environmentally friendly as possible.

Eco Council
