

Homework Policy
Appendix – Autumn 2020

Whilst the aims of our Homework Policy remain unchanged, our way of working during this period of Covid 19 safety measures has been adjusted.

Work will be in the following forms:

Reading book and loose-leaved journal

Spelling lists

Numberkit facts

Knowledge organisers (Foundation subjects)

Online activities – e.g. ActiveLearn

Children will not return paperwork to school for parking.

Children will see the value of their home learning in the confidence in which they face tests/ quizzes/ activities based on this through the week.

Teachers will note performance and progress based on home learning.

This learning will be given a strong profile and effort will be celebrated.
