### Arrival and Collection

**For the safety of all those accompanying children to the gate we politely request that adults consider wearing a face covering.**

Please be aware that staff are only able to admit children at the gate that are part of their supervised bubble. Children arriving late for their own entry will be required to wait at the gate until another member of staff is able to collect them. This is for the safety of all.

If you are late dropping off your child in the mornings after staff supervised entry, please can you ring the buzzer at the red pedestrian gate and a member of staff will come and collect your child.

Thank you

### Reporting Sickness and Absence

Please can we remind you that as per our Absence Policy, we do require a letter or email confirming your child's absence from school. In light of the current circumstance this is more important than ever. We are now required to keep this data for reference.

### Free Choice Friday

Traditionally Friday has been the day when children can bring an alternative healthy snack other than fruit to school for snack time.

Please can we remind you that the emphasis is on a healthy snack and this should not include sweet biscuits, chocolate, crisps etc

Thank you

### Poppies

We are not able to sell poppies to support the British Legion this year on Remembrance Day. Instead, we invite children to create their own poppy poster to display in your house window. This could include an appropriate message about the importance of the day. We will be delighted to feature photographs of your children's artwork in next weeks Newsletter. Please send these to [office@tasburgh.norfolk.sch.uk](mailto:office@tasburgh.norfolk.sch.uk)
