### COLD CLASSROOMS

As you are aware, ventilation of the classrooms is making them rather chilly - and this is likely to persist well into the new year. Some of our older children appear to think that remaining in shorts despite shivering during lessons is a badge of honour.

It would be helpful if all children could wear uniform that covers their legs;  
long trousers or tights.

We have a few pairs of plain black fingerless gloves for sale in the school office - please send £1 in a named envelope if you would like your child to purchase a pair!

### Rapunzel Pantomime

On Wednesday 16th December, the whole school will be taking part in this virtual pantomime. If you would like to access the songs at home, please use the link below

### BUMPS AND SCRAPES AT SCHOOL

Please don't be alarmed if you receive a message from us letting you know that your child has sustained a minor injury at school – the message is in lieu of the paper note that we used to send home at the end of the day. It is to keep you informed about any care given and does not mean that you need to attend school. If an injury is assessed as potentially needing more expert care or further treatment and home-monitoring, we will always try to contact you by phone.

### READERS NEEDED!

Rev. Austin has been in touch to let us know that he would like to hear from children who would like to read the readings at the Christmas Carols by Candlelight service at St. Mary's Church, Tasburgh.

Details of the readings, the time of the service and contact details for Rev. Austin can all be found on the attachment sent with this newsletter.
