Dear Parents and Carers

We know this half term has been difficult for many and would like to thank you for working with us to make the best of the situation. Congratulations to our children – we have enjoyed seeing so many in our live sessions, seeing their responses to our home-learning tasks and hearing about all the other things they have been doing at home.

You should now have a home-learning pack for use after the half-term break – please contact the school office if there are any problems with this. Letters from teachers will explain how this pack is to be used and full instructions will be posted on Seesaw or Tapestry, starting on Monday 22nd February.

Please enjoy a well-earned break from home-learning next week!

LOOKING AFTER OUR SCHOOL COMMUNITY

Please continue to let us know if any member of your household tests positive for coronavirus over the holiday. Please use the Head@ email address above for this purpose.

Thank you

RAINBOW SUPERHERO DAY

We will be joining many other schools in Norfolk to celebrate a special Norfolk Schools Rainbow Superhero Day on Thursday 25th February.

Our special power is to put smiles on the faces of all the 'Critical Workers' who are keeping us safe and making sure we have food to eat and things we need.

We're going to do this by:

- dressing up as rainbow superheroes - this could be in a mix of colours with a paper mask and a tea towel cape! Use your imagination. Ideas for masks and logos are sent as attachments to this newsletter.
- Thinking about all the different people who are working to keep us safe and fed - nurses, doctors, police, bin collectors, supermarket workers etc.
- Making messages of thanks - posters; photographs; video clips etc.
- Sharing our messages to produce smiles

Our big message is.....

"You are our Rainbow Superheroes and You've Got This!"

We are hoping that many schools acting together will result in many, many positive messages going out on one day. Hopefully this will lift everyone's spirits and put a smile on faces - because making people smile is one of the most powerful Superpowers there is!!!

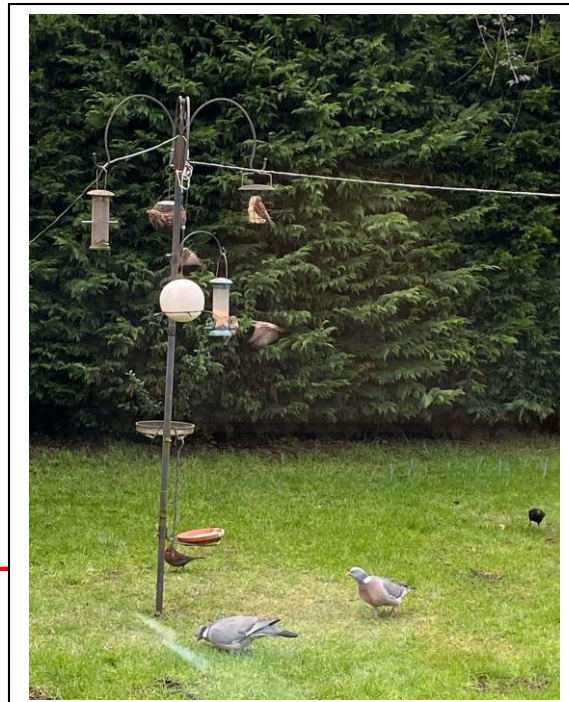

We would like your permission to share any of your photographs:

- In our newsletter
- on our website
- for display - which could be seen by the public

No names will be used.

Parents and Carers and other family members - please join in!!!!

THE BIG GARDEN BIRDWATCH

Hector and Cassian (from Saxlingham) really enjoy feeding the birds and have become experts in identifying their garden visitors. I bet these feeders were very popular with the birds during the snowy weather this week!

Look who lives in Orton and Cian's garden! They have done very well to take a photograph of this owl.
