### WELCOME BACK

It's been an absolute pleasure to welcome all our children back this week! The children are obviously happy to see their friends and get back to their learning. Every classroom feels calm and purposeful.

Special congratulations to children in Reception who have started school for the first time this week. It is lovely to see all of their smiles as they get to know their new classroom and friends.

\*\*\*\*

For medical reasons, our Head Teacher, Mrs Payne, will not be present at school for the next few weeks.

Any matters arising should be directed to our Deputy Head, Miss Georgina Rich or to the School Office.

## Star of the Week!

**Ladybird Class** - Ladybird Class for having a brilliant first week at school!

**Bumblebee Class** - Iona for starting the year with enthusiasm and being a good role model

**Grasshopper Class** - Isabella for an excellent start in her new class this week, getting on with her work independently and being a good friend to the other Grasshoppers

**Caterpillars Class** - Orton for beginning the year with a mature attitude

**Dragonfly Class** - Daisy for excellent contributions to class discussions

### Arrival at School

The children have adapted well to our new arrival routine. As the gate is manned from 8.45am to 8.50am, and that member of staff then ensures that all children are gathered in their class lines on the playground, please feel free to "drop and go" as this eases traffic congestion outside the school.

### Uniform

#### PE

Class letters have been sent out so you should now be aware of your child's PE days. Children are required to come to school in their PE kit on these days.

#### Hair

Children with long hair should have this tied back in a safe and tidy style appropriate for school activities

#### Jewellery

Children with pierced ears may wear small discreet studs, these must be removed or taped over for PE.

## Reporting Sickness and Absence

Please can we remind you that as per our Absence Policy, we do require a letter or email confirming your child's absence from school. In light of the current circumstance this is more important than ever.

We are now required to keep this data for reference.

## Covid

You should have received the Covid Symptom Checker by email this week.

You are no longer required to inform us if someone in your household tests positive for Covid but we would find it helpful to know if they do.

## Celebration Assembly

Every Friday, we celebrate the children's achievements as well as any birthdays that have taken place that week (including the previous weekend). Children are invited to bring in one birthday gift to show to the school when sharing their birthday news.

At this current time, we ask that children do not bring in sweets or cakes to school to share with their class.

## Lunch Payments

From Monday 13th September years 3/4/5/6 will be able to order hot lunches. The cost per lunch is £2.30. Payments for lunches ordered can be made via the school office for the week by cash or cheque. The class pots are in the foyer.

If you prefer, you can pay for a number of lunches in advance and have a credit on your account the reduces as lunches are ordered.
