

## Key Vocabulary:

- emotions
- see, hear, touch, smell, taste
- season
- community
- temperature
- culture
- weather
- muscles
- skeleton
- senses

We will be exploring the following texts (*Owl Babies*, *Croc and Bird* and *All Are Welcome*) as part of our English and wider curriculum learning.

The key skills that we will be focussing on are:

- considering and evaluating different viewpoints
- predicting what might happen based on what has been read
- exploring characters and drawing inferences

Additionally, we will be:

- looking at how people live and grow across the world
- exploring the structure of the human body and comparing it with other animals
- learning about weather and seasonal changes
- looking at the features of basic lifecycles

## Maths

This half term we will be looking at:

- sorting, counting, and representing objects
- looking at the more than  $>$  and less than  $<$  symbols
- beginning to read numbers as words
- place value within 10

Below are some of the representations and models that we will be using:

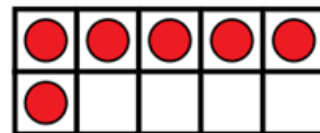

Numicon

Base 10

Tens Frame

## Belonging

Year 1 Autumn Term  
2021/2022

### Other special events:

Harvest Festival, Black History Month and Diwali

## Senses

sight

hearing

touch

taste

smell

## Key Facts

- Sight -Your eyes let you see all the things around you.
- Hearing - Your ears let you listen to things that are around you.
- Touch - Your skin gives you this sense. You can tell if something is warm, cold, smooth, or rough without looking at it.
- Taste - Your sense of taste comes from your tongue. You can tell if something tastes bitter or sweet.
- Smell - You smell using your nose. Your nose can tell if things smell nice or not nice.
- The adult human body has 206 bones.
- There are six main emotions: happy, sad, scared, angry, surprised, and disgusted.
- The four seasons are spring, summer, autumn, and winter.
- Culture is the way of life and how groups of people do things.

## Parts of the Body
