Dear Parents/Carers,

Sports Morning, Thursday 30th June 2022

I am writing to share with you some of our plans for the Sports Morning and we would really value your co-operation and support to ensure that this event runs smoothly.

The children will need to arrive at school as normal, wearing their normal school PE kits. They will also require trainers, a sun hat, a full water bottle and it would be advisable to apply sun cream before coming to school.

Once the registers have been taken, the children will be sorted into house groups for the morning. The children will wear a sticker, so that their group can easily be identified. Parents/carers and family members are welcome to attend and I am sure that the children will value your support and encouragement!

Parents/carers are welcome to remain at school from drop off and we will aim to start by 9.15am, or slightly earlier if the children are ready. The morning's activities should begin at approximately 9.15am. The children will all take part in a variety of sporting events, with the emphasis on having fun. Once this carousel of activities is complete, there will be the opportunity for children to take part in some racing events. We envisage that the morning's activities will be finished by 11.45am.

The children usually have their break time at 10.15am. At around this time, we will take the children inside to use the toilet, to have a drink and to eat their usual fruit snack. Parents will need to remain outside. A designated toilet will be available for visitors to use. Unfortunately, on this occasion, we are unable to provide refreshments for parents/carers, so please bring your own!

When the morning's activities have concluded, parents/carers will be very welcome to picnic with their children over lunchtime.

In the event of wet weather, we may have to reschedule the event. We will communicate this to you via email and will post an update on our Facebook page: www.facebook.com/prestonprimarytasburgh/

Although we understand that this causes inconvenience and disappointment, it is vital that we work together to ensure the health and safety of the children.

Please do not hesitate to speak to a member of the teaching staff if you have any further queries.

Yours sincerely,

Mr M. Walker

Executive Headteacher

In the event of wet weather, we may have to reschedule the event. This information will be posted on the School Facebook page:
